

AMPLIFY TOTAL EXPERIENCE

Return & Refund Policy

Effective date: June 1, 2026

This policy explains how returns, exchanges, and refunds work for purchases made from Amplify Total Experience. It applies to all orders unless a product page or promotion states otherwise.

1. RETURN WINDOW

You may return most items within 30 calendar days of the delivery date for a refund or exchange. The 30-day window begins on the date the carrier marks the order as delivered. Returns requested after 30 days may be offered store credit at our discretion, but are not guaranteed.

2. CONDITION REQUIREMENTS

To qualify for a full refund, items must be returned:

- in their original condition and original packaging,
- with all accessories, manuals, and free gifts included, and
- unused or only lightly inspected.

Opened items ARE eligible for return within the 30-day window as long as the item is undamaged and complete. Items that are used beyond reasonable inspection, damaged by the customer, or missing parts may receive a partial refund or be declined.

3. NON-RETURNABLE ITEMS

The following are final sale and cannot be returned or refunded:

- gift cards and digital downloads,
- personalized or custom-configured products,
- items marked "Final Sale" or "Clearance" at the time of purchase, and
- hygiene-sensitive items (e.g., earbuds/headphones) once the seal is broken.

4. HOW TO START A RETURN

- 1) Have your order number ready (for example, ORD-1001).
- 2) Contact us by phone, chat, or through the self-service assistant.
- 3) We will email a prepaid return label and return instructions.
- 4) Pack the item securely and drop it off with the carrier within 7 days of receiving the label.

5. REFUND METHOD AND TIMING

Once we receive and inspect your return, we process approved refunds within 3-5 business days. Refunds are issued to the original payment method. After we issue the refund, it may take an additional 5-10 business days for your bank or card issuer to post the credit to your account.

If you paid with a gift card or store credit, the refund is returned as store credit.

6. RETURN SHIPPING COSTS

Return shipping is FREE when the return is due to our error (wrong, defective, or damaged item). For change-of-mind or "no longer needed" returns, a flat return shipping fee of \$6.99 is deducted from the refund. Original shipping charges are non-refundable except when the return is due to our error.

7. RESTOCKING FEE

Most returns have no restocking fee. A restocking fee of up to 15% may apply to opened large electronics and to items returned without their original packaging.

8. EXCHANGES

We are happy to exchange an item for a different size, color, or model within the 30-day window, subject to availability. If the new item costs more, you pay the difference; if it costs less, we refund the difference to your original payment method.

9. DAMAGED, DEFECTIVE, OR INCORRECT ITEMS

If your item arrives damaged, defective, or is not what you ordered, contact us within 7 days of delivery. We will arrange a free replacement or a full refund, including original shipping, at no cost to you. Photos of the damage help us resolve the issue faster.

10. LATE OR MISSING REFUNDS

If you have not received a refund you expected:

- check your bank account or card statement again,
- contact your bank or card issuer, as posting times vary, and
- if you have done both and still have not received it, contact us and we will trace the refund.

11. ORDER STATUS AND REFUND ELIGIBILITY

Orders that are already marked delivered may be returned within the 30-day window. Orders still in "processing" or "shipped" status can often be canceled for a full refund before they are delivered - contact us as soon as possible. Some items are marked non-refundable at the time of sale; those are not eligible for a refund but may still be exchanged if defective.
